

# INTERNATIONALS' PARADE

**FOUR** Wycombe Wanderers in the news make up an Internationals' parade of colour for 'Mid-week', each proudly wearing the 'caps' they earned last season. Ted Powell (top left) and John Delaney (top right) are picked to tour Scandinavia with the England party next month, while Geoff Anthony of Wales (bottom left) departed last week with the Middlesex Wanderers on their three-week trip to Japan and the Far East. Completing the quartet is newly-married Larry Pritchard (bottom right), honeymooning at present in the Channel Islands.
